- Look at the symbol that is on another column and remember it.

☆ Inside Temple:

- Look at the symbol on a wall and remember it.
- Drag the pentagram from the inventory to the hole in the rock door at the end of the temple.

☆ Chamber of Sacrifices:

- Look at the symbol at the base of the statue and remember it.

☆ Cave:

- Look at the symbol on one of the rocks and remember it.

☆ Symbol Puzzle:

You must press the symbols in this order:

1-Green

2-Red

3-Orange

4-Yellow

Finally, press the pentagram.

☆ Lake Puzzle:

It's easy. Pick up the pieces of marble that you find. Then put them in the plate beside the door.

To rotate the pieces, press the right mouse button

To return the pieces to the inventory, press the space bar.

☆ Altar Puzzle:

Align the symbols of the four columns with the symbols of the four sides of the center box.

Press the button over the altar and the door with bars will open.

☆ Tomb Puzzle:

Go to the end of chamber, pick up the cup over altar, pick up sand from the floor. Fill the cup with blood from the bowl, mix sand with the blood in the cup, and pour the mixture over the coals beside the altar. Wait seconds... and the exit will open.

And that is all. Good Luck!
